

SILVER FOX OUTFITTERS

SFO has been operating since '95 and was incorporated in 1998. **SFO** is licensed, bonded and insured. We are "North American Hunt Club" recommended and members of SCI. We have a high percentage of repeat clients.

LOCATION Our primary hunting area is located a short 2-hour drive west of Edmonton near Edson in the beautiful foothills, agricultural fringe area of west central Alberta. Our hunting areas have some of the highest moose densities in the province. Other advantages of our area include: easier / more cost-effective travel arrangements for our hunters, excellent access and controlled resident numbers. **We believe we're hunting in the best area in Alberta.**

Included with your hunt: Approved travel day airport or hotel pickup & drop off, all on site meals, on site transportation and rustic tent camp lodging. All prices are quoted in US funds. You will also receive: a receipt for all payments, a traveling and licensing form, wavier, current regulations, and a detailed what to bring list.

Not included in the basic hunt cost are: your licenses, permits, trophy fees, the 5% federal goods and services tax, arrangements for special pickup or drop off, butcher fees or taxidermy. All prices are per person and quoted in US funds. Hunts are two hunters with one guide.

Moose Bow hunts happen from tent camps. We offer the drop camp option on these hunts for hunters that provide their own equipment and supplies.

Alberta's Best Hunt Value

Moose Bow hunts happen from tent camps. We also offer the drop camp option for the bowhunters that provide their own equipment and supplies.

MOOSE RIFLE HUNTS We run 2 different hunts. The 1st is a 6 day rut hunt in the rugged foothills/mountain areas to the west of Edson. Calling moose is incredibly exciting. A high success rate & small number of permits means this hunt sells out fast.

The bulk of our Moose hunting is in November and 8 days long. The moose have finished rutting and are concentrated in tamarack, muskeg fringe areas. A light snow is common at this time, and bulls are easier to spot and tracks easy to find. Our area has excellent access with many oil / logging roads and countless miles of cut lines. We use four-wheel drive trucks and all-terrain vehicles extensively. On all our hunts we charge an \$800. trophy fee when you tag your bull. This is an excellent hunt to add a whitetail tag too.
